

INVITATION LETTER
THE INTERNATIONAL EXHIBITION ON EDUCATION
AND VOCATION (EduExpo 2019)

Dear value guess,

As part of the activities program to promote the introduction of educational products and training of human resources in the industrial revolution 4th and deeper and deeper international integration; with the approvement of the Leaders of the Ministry of Education and Training, the Training Support and Human Resource Development Centre in coordination with Victoria Tourism Investment and Development JSC to organize the International Exhibition of Education and Vocation 2019 (EduExpo 2019), at Thong Nhat Park, Tran Nhan Tong Street, Hanoi. Time: December 05th - 08th,2019.

Expected scale of 300 booths, including 250 domestic booths and 50 international booths. Exhibition showing products: Early Childhood Education teaching-learning supplies; Teaching-learning supplies at general education level; Teaching-learning supplies at terciary level; Science and experiment equipment; Publishing products and school supplies and introduction in research products from Centers, Institutes and Schools; Start-up products; Abroad study programs.

This is an important event for domestic and international enterprises to introduce educational equipment, publishing products, school supplies; Organizations and training institutions to introduce the training curriculum, abroad study consultation, vocational guidance; at the same time to bridge the gap between theory-practice of training and between training institutions-human resource users.

On behalf of the Organization Board, we would like to invite domestic and international enterprises, organizations and training institutions to register to participate in "The International Exhibition of Education and Vocation - **EduExpo 2019**".
